Transfer Credit Evaluation Request

For Prospective Online Bachelor's Degree Students

Please note: Transcripts must be copies of originals (front and back) so that institution details are available to the advisor (self-generated print-outs will not suffice as they do not provide grading policies, CEEB codes etc.). Submissions not meeting these criteria may not be evaluated. Please allow 30 days for an unofficial evaluation to be completed by a Drexel University academic advisor. Use this form as a cover sheet when requesting an unofficial transfer credit evaluation.

Fax: 215-895-4999.
